

## NABGG 2007 Technology Conference Announcement

The National Association of Black Geologists and Geophysicists (NABGG) is pleased to announce that we have a limited number of slots available for total student sponsorship to attend the 2007 Annual Technology Conference in Phoenix, AZ on September 19 - 22, 2007. Thanks to a generous sponsor, NABGG will be able to cover student airfare, lodging, and conference registration fees (for those presenting papers/posters), for the conference.

Please bear in mind this assistance is available on a first come, first serve basis and is not unlimited, so I strongly encourage each of you to act quickly. Although, all conferences expenses will be covered by NABGG (except some meals) you will need to obtain approval from your respective department chair/professors to attend the conference and miss class. Once you have obtained all the necessary approvals, please reply to this note (at [jerome.murphy@exxonmobil.com](mailto:jerome.murphy@exxonmobil.com)) and populate the following fields with the appropriate answers:

STUDENT'S NAME  
MAILING ADDRESS  
E-MAIL ADDRESS  
TELEPHONE AND FAX CONTACTS  
COLLEGE OR UNIVERSITY  
DATES OF TRAVEL DESIRED  
DEPARTING AIRPORT TO PHOENIX AND RETURNING AIRPORT

Once the travel arrangements have been made on your behalf, you will be contacted and supplied with your itinerary. For those students that have already purchased plane tickets for the conference, NABGG will be unable to reimburse you. However, if you have already paid your conference registration fees, and are presenting a paper, you are eligible for a reimbursement that will be issued at the conference. Please do not hesitate to contact me should you have any questions.

Sincerely,

Jerome Murphy, NABGG Member at Large  
ExxonMobil Exploration Company
