

**Announcing the 2007-2009
NABGG Executive Team**

President- Mr. Robert Johnson

PLATFORM

- Establishment of a formal NABGG endowment funding plan
- Maintenance and establishment of new NABGG University Chapters
- Create an action plan for Outreach and Partnership/Pairing of NABGG mentors with NABGG scholars and new professional members.
- Continued improvement of the NABGG website for secure members-only section with interactive knowledge base and online NABGG membership database
- Continued improvement of NABGG Prism Newsletter & establishment of an online NABGG science journal
- Implementation of Public Educational Seminars on Geoscience extended to the public
- Collaboration with the newly re-established AABE (American Association of Blacks in Energy) - Houston Chapter and AABE National organizations.
- Collaboration and communication with educational institutions to explore new opportunities to extend the reach of NABGG. Continue to outreach to other international geoscience and scientific professional organizations

Vice President- Ms. Aisha Ragas

Platform

I have been a member of NABGG for 10 years. This organization was integral in my educational pursuit of geology, and continues to support me as a professional. I have served as Vice President and President of the NABGG Student Chapter at the University of Oklahoma and Student Liaison and Secretary of the NABGG National. I am willing to continue contributing to this association as Vice President. I will provide support to our President and help lead NABGG in development and exposure.

Secretary- Ms. Geraldine Grant

Platform

I am one of the original founding members of this Organization and have served as the Secretary and Assistant in the early 80's. In recent years, I have served as Assistant Chairperson and Chairperson for the annual Christmas Gala for the NABGG.

As secretary of this group, I will be totally responsible for all mass correspondence that will inform members of all pertinent information regarding the NABGG, which will include all minutes, announcements and our quarterly Prisms newsletter. I will attend all meetings and I will represent the group as one the leadership team members. I will also provide any leadership assignments that the President deems important for me to fulfill at any time.

Assistant Secretary- Ms. Teresa Dimmer

Platform

I have been a member of the NABGG for 6 years and have been actively involved and supported the organization's activities. Both Exxon Mobil and NABGG have provided me with many opportunities for both learning and leadership. I believe these experiences qualify me to serve the organization as Assistant Secretary.

Treasurer- Ms. Marian Walters

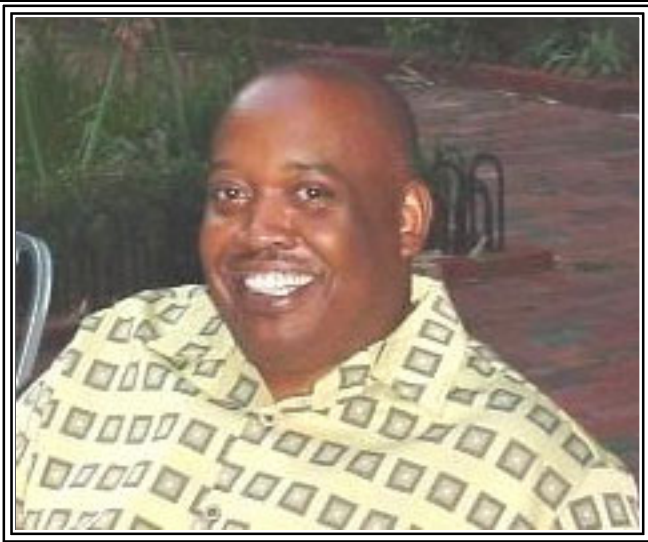

Platform

- Actively involved with the 2005 - 2006 Evergreen Project
- Attended five of the last six NABGG Conferences
- Committee Co-chairperson of the 2003 & 2005 Holiday Galas
- Committee Chairperson of the 2004 Holiday Gala Committee
- Co-chairperson of the Correspondence & Publicity Committee for the 2000 Conference
- Committee Chairperson of the Registration Committee for the 2006 Conference
- Member of the Finance Team for four years
- Served as the NABGG National Treasurer for 2005 - 2007 term
- Continue to monitor and maintain financial records with ethics and integrity as the NABGG represents

Assistant Treasurer- Mr. Michael Mitchell

Platform

During this past term as Assistant Treasurer, I have assisted the Treasurer, Ms. Marian Walters, in maintaining accurate records and insuring financial integrity within the organization. I will continue to serve the office of the Assistant Treasurer with dignity and honesty, assisting the Treasurer and supporting the President and Executive Leadership Team

Parliamentarian- Ms. Deborah Branch

Platform

I have been an active member of NABGG for the past four years. During that time I have participated in numerous events sponsored by NABGG. I have chaired several committees and am currently a chairperson for the 25th Anniversary NABGG Conference for 2006. Being a member and past parliamentarian has been an enlightening and rewarding experience. I would consider it an honor and a privilege to have the opportunity to continue to serve this great organization as parliamentarian.

Members-At-Large

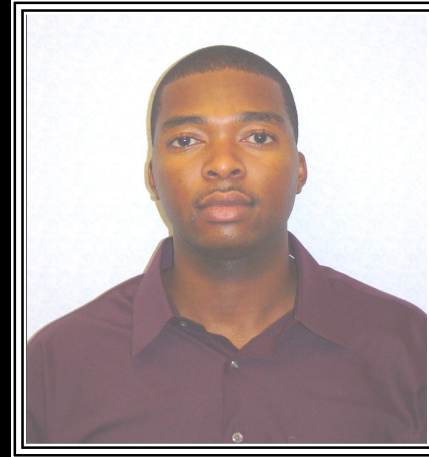

Ms. Roxanne Lamb

Platform

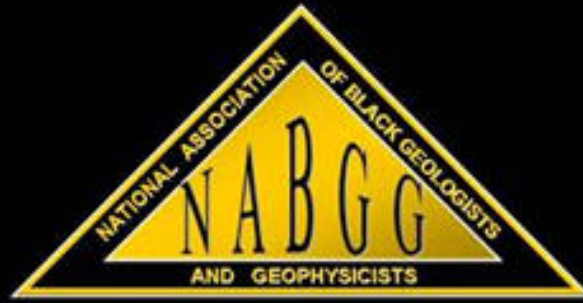

As Member-At-Large, I would like to “Bridge-the-Gap” to our younger members. Having coordinated activities with and for students, I realize the importance of maximizing the opportunities and resources that NABGG continues to invest in the future through our students. NABGG invested and believed in me almost 20 years ago. My chance to give back and invest in NABGG could now be as a NABGG Member-At-Large.

Mr. Jerome Murphy

Platform

As NABGG Member-At-Large, one of my primary objectives will be to increase the level of involvement, within the organization, from young professional members that have been working 1-10 years (i.e. my peer group). I feel that it is very important to the NABGG's future to capture this particular group's interest once again.

Changes to Advisory Board

New NABGG Advisory Board Members

**Ms. Rachel Dunn
Mr. Michael Carroll
Dr. John Leftwich**

Thanks For Your Continuing
Support To NABGG !
